

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
1	Homoeopathic Materia Medica	Comparative Clinical Study of Mental Symptoms of Belladonna, hyocyamus & Stramonium.
2	Homoeopathic Materia Medica	Study of aloganiaceae family with special emphasis on ignatia.
3	Homoeopathic Materia Medica	Homoeopathic management of Bronchial Asthama Homoeopathic with special emphasis on Kali group of remedies.
4	Homoeopathic Materia Medica	Study of efficacy of Sycotic Co.In the Management of Osteoarthritis.
5	Homoeopathic Materia Medica	Comparative study of Pulsatilla and cimicifuga in female disorders.
6	Homoeopathic Materia Medica	Study of efficacy of calcarea phosphorica in the Management of Osteoporosis.
7	Homoeopathic Materia Medica	Efficacy of Homoeopathy in Management of Alopecia Areata with special emphasis on calcarea Carb, Sulphur, Lycopodium.
8	Homoeopathic Materia Medica	Utility of Syphilinum in Homoeopathy.
9	Homoeopathic Materia Medica	Utility of location in study of Materia Medica.
10	Homoeopathic Materia Medica	Comparative study of Nitric Acid & Thuja in cases of warts.
11	Homoeopathic Materia Medica	Comparative study of Lachesis and pulsatilla.
12	Homoeopathic Materia Medica	Homoeopathic approach in the cases of Metabolic syndrome.
13	Homoeopathic Materia Medica	Utility of Tuberculinum Bovinum in Rheumatic Fever.
14	Homoeopathic Materia Medica	Homoeopathic Management of Behavioral Abnormalities especially of Breath Holding Spasms seen in Children.
15	Homoeopathic Materia Medica	Study of different aspects of 'Silicea' with its utility in clinical practice.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
16	Homoeopathic Materia Medica	Efficacy of Homoeopathy in the Management of Alopecia.
17	Homoeopathic Materia Medica	Study of efficacy of homoeopathy in management of examination phobia.
18	Homoeopathic Materia Medica	Role of specific Anti- Miasmatic forces in various skin diseases.
19	Homoeopathic Materia Medica	Study of the clinical importance of Coniferae in homoeopathic practice with special emphasis on thuja occidentalis
20	Homoeopathic Materia Medica	Depression:- Its Psycho-Social aspect and Homoeopathic Management-A study.
21	Homoeopathic Materia Medica	Understanding the symptomatology of medorrhimum through various materia medicas and its role as intercurrent remedy.
22	Homoeopathic Materia Medica	Comparative study of pulsatilla and sepia in menstrual disorders.
23	Homoeopathic Materia Medica	Study of characteristics of lilliaceae family Medicines and their Clinical utility in catarrhal affections.
24	Homoeopathic Materia Medica	An Evolution of Anxiety and its expression in argentum Nirticum, Arsenicum Album and Lycopodium with its Clinical Varification
25	Homoeopathic Materia Medica	Efficacy of Homoeopathic Remedies in Hyperemesis Gravidarum
26	Homoeopathic Materia Medica	A study of Characteristics of Papaveraceae family & therupatic application of Medicines from the family.
27	Homoeopathic Materia Medica	A study of remedy profile and clinical varification of Homoeopthic medicines used in the treatment of leucorrhoea.
28	Homoeopathic Materia Medica	Efficacy of Homoeopathic Remedies in Calcanean Spur
29	Homoeopathic Materia Medica	Efficacy of Homoeopathic Remedies in Pregnancy Induced Hypertension.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
30	Homoeopathic Materia Medica	The study of emotional symptoms of Row 3 remedies of the Periodic table in the treatment of PCOD.
31	Homoeopathic Materia Medica	Efficacy of 'Arsenicum Iodatum' in the Homoeopathic management of Bronchitis
32	Homoeopathic Materia Medica	Compare and contrast the evolution of kali carbonicum and sepia in females Patients.
33	Homoeopathic Materia Medica	Compare and contrast the evolution of reservedness in natrum MUR. And silicea Patients.
34	Homoeopathic Materia Medica	Compare and contrast the hyperactivity of tarentula hispanica, tuberculinum and calcarea-iodatum, in Paediatric age group Patients.
35	Homoeopathic Materia Medica	Compare and contrast the evolution of sadness in nutrum group and aurum group Patients.
36	Homoeopathic Materia Medica	Study the various defense Mechanisms used by carcinosin.
37	Homoeopathic Materia Medica	Study of the Efficacy Homoeopathic Medicines in Treatment of "Dematophytosis.
38	Homoeopathic Materia Medica	Study of the Utility of Homoeopathic Medicines in Minor Depressive Disorder Resulting From Psychosocial Factors.
39	Homoeopathic Materia Medica	Study of Causticum and its utility in clinical practice.
40	Homoeopathic Materia Medica	Study of Sulphur in detail and its clinical utility.
41	Homoeopathic Materia Medica	Clinical Utility of Natrum sulphuricum in Homoeopathy.
42	Homoeopathic Materia Medica	Study of "Natrum Muriaticum" and it's Clinical Utility in cases of essential Hypertension

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
43	Homoeopathic Materia Medica	Role of Staphysagria in urinary tract infection.
44	Homoeopathic Materia Medica	Efficacy of Pulsatilla in post eruptive (viral) Pneumonia especially in children.
45	Homoeopathic Materia Medica	Efficacy of Cina Santonin in Management of Worm Infestation.
46	Homoeopathic Materia Medica	Clinico Pathological Study of Baryata Group and its Utility.
47	Homoeopathic Materia Medica	Homoeopathic Management of Uterine Fibriod with Calcarea Flour, Sepia and Ustilago-A detail study.
48	Homoeopathic Materia Medica	Detailed study of Papaveraceae family in Homoeopathy with special emphasis on Opium.
49	Homoeopathic Materia Medica	Scope of homoeopathic treatment in management of "measles.
50	Homoeopathic Materia Medica	Molluscum Contagiosum- A Homoeopathic approach.
51	Homoeopathic Materia Medica	Clinical Study & Etiology of Depression according to Dr. Hahneman and its response to Homoeopathic Remedies.
52	Homoeopathic Materia Medica	A detailed study of Magnesium group with special emphasis on Magnesium. Phos.
53	Homoeopathic Materia Medica	Efficacy of Muriatic Acid in ano- rectal complaints especially Haemorrhoids.
54	Homoeopathic Materia Medica	Study of Papaveraceae family medicines with special emphasis on Opium.
55	Homoeopathic Materia Medica	Utility of fish group medicines with special emphasis on sepia

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
56	Homoeopathic Materia Medica	Study of Hyperthyroidism and its Homoeopathic Management.
57	Homoeopathic Materia Medica	Efficacy of Natrum Group in Hypertension.
58	Homoeopathic Materia Medica	To study the clinical profile of sciatica & its Homoeopathic Management.
59	Homoeopathic Materia Medica	Cervical Cancer and Homoeopathy - A CUI Bono.
60	Homoeopathic Materia Medica	Allergic Rhinitis- A Homoeopathic approach.
61	Homoeopathic Materia Medica	Vaccinosis and its Homoeopathic Treatment.
62	Homoeopathic Materia Medica	Study of evolution of fever cases and its indications in LOGANIACEA family with special reference to GELSEMIUM.
63	Homoeopathic Materia Medica	Efficacy of Sulphur in Haemorrhoids.
64	Homoeopathic Materia Medica	Role of Homoeopathy in Anxiety with special emphasis on A conite.
65	Homoeopathic Materia Medica	Acute diarrhoea in children with it's Homoeopathic Management.
66	Homoeopathic Materia Medica	Solanaceae family and its clinical application.
67	Homoeopathic Materia Medica	Role of Homoeopathy in the treatment of patients with uterine fibroids(myomas)
68	Homoeopathic Materia Medica	Scope and efficacy of Homoeopathic Medicines in Hypothyroidism.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
69	Homoeopathic Materia Medica	Role of Spider poison in Homoeopathy.
70	Homoeopathic Materia Medica	Understanding the Conceptual image of PLATINA through Homoeopathic Materia Medica.
71	Homoeopathic Materia Medica	Indifference & it's approach with Nat Mur & Sepia.
72	Homoeopathic Materia Medica	Scope of Homoeopathy In Skin Disorders.
73	Homoeopathic Materia Medica	Falling of Hair--- A Search From Homoeopathic Perspective.
74	Homoeopathic Materia Medica	A detailed analytical study of Papaveraceae Family with special reference to Opium.
75	Homoeopathic Materia Medica	Anti - sycotic medicines in the management of uterine fibroids.
76	Homoeopathic Materia Medica	Analytical Review of Hahnemannian Great Antipsorics, Sulphur, Calcarea & Lycopodium along with their relationship.
77	Homoeopathic Materia Medica	Management of psycho-somatic problems Among adolescent girls With Constitutional Homoeopathic medicines.
78	Homoeopathic Materia Medica	Study of Metal Group of Drugs with special emphasis on Aurum metallicum and its utility in clinical practice.
79	Homoeopathic Materia Medica	Efficacy of Kali & Ferrum group in management of renal failure affected by Nsaid's.
80	Homoeopathic Materia Medica	Study of the utility of carbon group medicines in management of psoriasis.
81	Homoeopathic Materia Medica	Utility of Ranunculaceae family medicines in arthritis.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
82	Homoeopathic Materia Medica	Study of Mercurius and its role in Homoeopathic management of gastrointestinal disorders.
83	Homoeopathic Materia Medica	Homoeopathic Management of Common Skin problems, especially the diseases of skin appendages & cosmetic problems in teenagers.
84	Homoeopathic Materia Medica	Study of efficacy of "Thyroidinum" for increasing height in cases of physiological short stature constitution.
85	Homoeopathic Materia Medica	Study of solanaceae group medicines with special emphasis on stramonium.
86	Homoeopathic Materia Medica	To study Portrait formation of Arsenic Album.
87	Homoeopathic Materia Medica	Utility of Homoeopathic medicine in hypertension.
88	Homoeopathic Materia Medica	Role of Homoeopathic Medicines in Primary Dysmenorrhoea.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
1	Organon	Study of Totality of Symptoms in Allergic Rhinitis.
2	Organon	Study of Susceptibility and Miasmatic Evaluation of Diabetes Mellitus.
3	Organon	Assessment of Susceptibility in Primary Hypertension.
4	Organon	Essential Follow- Up Criteria in the Treatment of Bronchial Asthma.
5	Organon	Criteria For Identifying Susceptibility in Chronic Eczema.
6	Organon	Rational Points in Homoeopathic Prescribing- Organon Based.
7	Organon	Characteristic Symptom: Its Importance In Evaluation And Individualization Of a case.
8	Organon	Miasmatic Approach while Treating Acid - Peptic Disorder.
9	Organon	Role of Homoeopathy in Antenatal care and Its Miasmatic study.
10	Organon	Scope of Homoeopathy in cases of Chronic Bronchial Asthma.
11	Organon	Study of role of susceptibility in clinical presentation of rheumatoid arthritis and it's implication in Posology.
12	Organon	Study of the concept of etiology in Modern Medicine & Homoeopathy and It's Implication in Homoeopathic Practice.
13	Organon	To Evaluate the Role of Miasms in Clinical Presentations of Psoriasis.
14	Organon	Studying the Clinical Presentation and it's Correlations With Miasms in Cases of Chronic Suppurative Otitis Media.
15	Organon	Homoeopathy Concept of Temperament and its study in cases of Nephrolithiasis.
16	Organon	To Demonstrate: Importance of Concept of Unprejudiced Observer in Case Taking.
17	Organon	To Study The Utility of Subjective Symptoms in the Treatment of Primary Dysmenorrhoea.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
18	Organon	Histrionic Personality Disorder- A Miasmatic Study.
19	Organon	To Study Utility of Objective Symptom(s) in Homoeopathic Prescribing in cases of Tonsillitis in Children.
20	Organon	Leucorrhoea & its Miasmatic approach in Homoeopathy.
21	Organon	Understanding of warts and its Miasmatic approach with Homoeopathy Management.
22	Organon	Study and Practical Utility of different Scales of Potencies used in Homoeopathy.
23	Organon	Study of constitutions- Special Emphasis on Temperament in Homoeopathic prescribing.
24	Organon	Understanding concept of forming totality in different types of Acute diseases with clinical cases.
25	Organon	Role of Homoeopathy in Acute prescribing.
26	Organon	Study of sycotic miasm in chronic constipation with specific reference to calcarea carb.
27	Organon	Efficacy of Hering's law of cure in sinusitis.
28	Organon	Efficacy of Homoeopathy in the management of D.M. Type II by applying the law of Similia.
29	Organon	Miasmatic Approach in the treatment of Gall Stone.
30	Organon	To study the concept of totality according to Dr. C.Von Boenninghausen's Philosophy.
31	Organon	Value of different observational factors (ref. to organon aphorism 90 foot note) as suggested by Dr. Hahnemann in clinical practice.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
32	Organon	Miasmatic approach in Gastric disorder.
33	Organon	A study to demonstrate the value of written History in planning a case taking.
34	Organon	Constitutional Approach in Management of Acne Vulgaris.
35	Organon	Philosophical study of infective hepatitis and management.
36	Organon	Miasmatic approach of polycystic ovarian disease-A clinical study.
37	Organon	Miasmatic Expression & Homoeopathic approach in management of various dermatological condisions consequential to Cosmetic treatment.
38	Organon	The Role of Homoeopathy in management of various Respiratory diseases caused due to traffic pollution.
39	Organon	To study efficacy of Homoeopathic treatment in the case of skin ABSCESS.
40	Organon	To study the effects of constitutional treatment in allelrgic bronchitis.
41	Organon	Importance of 50 Millisimal potency in homoeopathy.
42	Organon	Homoeopathic Approach in treatment of dandruff.
43	Organon	Role of concomitant and characteristic symptoms in prescribing drug in acute cases.
44	Organon	Impotance & Utility of Water Potency in Homoeopathic Practice.
45	Organon	Hahnemann's concept of intermittent Fever.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
46	Organon	Decoding case receiving from Hahnemannian time till today.
47	Organon	Scope of Homoeopathy in Gout with emphasis on diet during Management.
48	Organon	A study on Homoeopathic Management of Ulcerative colitis with Miasmatic Evaluation.
49	Organon	Scientific approach to Homoeopathy along with application of Organon of Medicine.
50	Organon	Role of mental Symptoms and Miasm in the treatment of Psoriasis.
51	Organon	Miasmatic approach towards management of Paresis and Paralysis.
52	Organon	Miasmatic approach in Sebboeric Dermatitis.
53	Organon	Miasmatic approach in Tinea infection. /Its Homoeopathic Management.
54	Organon	Scope of Homoeopathy in Acid Peptic Disorder through miasmatic approach.
55	Organon	Homoeopathic Management in HIV/AIDS Asymptomatic cases through Miasmatic Approach.
56	Organon	Analyzing the role of Susceptibility in Hypertension.
57	Organon	Miasmatic Evaluation in Rheumatoid Arthritis Special reference to Rhus Toxicodendron , Kali Iodum, Ledum pal.
58	Organon	Comparision of decimal and centesimal potency in acute gastro intestinal disorder.
59	Organon	Study of sycotic manifestation of bronchial asthma.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
60	Organon	Analytical study of psoric miasm in irritant contact dermatitis.
61	Organon	A Clinical Study on the Efficacy of LM Potencies in Allergic Rhinitis.
62	Organon	Sycotic Miasms- its reflection as seen through cases.
63	Organon	Role of Homoeopathy in menstrual irregularities.
64	Organon	A Clinical Study of the efficacy of miasmatic prescription in the management of renal calculi.
65	Organon	Significance of Miasms in the Management of Osteo Arthritis of Knee Joint
66	Organon	Miasmatic Approach towards case of chronic renal failure.
67	Organon	Utility of Miasm in Hyperthyroidism.
68	Organon	Acute disease and Homoeopathy.
69	Organon	To study the sycotic miasm especially in hyperpothyroidism of adults with its Homoeopathic management.
70	Organon	Efficacy of Homoeopathic medicines in suppressed disease conditions with miasmatic treatment.
71	Organon	Miasmatic Approach in cases of "Depression".
72	Organon	Miasmatic Approach To words D.U.B. and its Homoeopathic Management.
73	Organon	Detail Study of Classification of Chronic disorders by Dr. Hahnemann

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
74	Organon	Role of Homoeopathic medicine in suppressed disease conditions with miasmatic treatment.
75	Organon	A comparative study of different approaches to find out the similia concept of different pioneers.
76	Organon	Study of miasmatic background of allergic rhinitis & it's Homoeopathic Management.
77	Organon	Clinical approach of organon of medicine in acute abdomen
78	Organon	Scope of Organon of medicine and Homoeopathy in management of enuresis.
79	Organon	Scope of Organon & Philosophy in the treatment of anxiety disorders.
80	Organon	Efficacy of Homoeopathic Remedies and Miasmatic Approach in the diseases of Larynx and Traches.
81	Organon	Role of Homoeopathic Medicine in the treatment of vertigo through miasms.
82	Organon	Study of Miasmatic Background of Menorrhagia and its Homoeopathic Management
83	Organon	Utility of Homoeopathy in Malaria.
84	Organon	Study of miasmatic Evaluation in Typhoid Fever and its Homoeopathic Management.
85	Organon	Clinical Assessment of Efficacy of Homoeopathic Drugs in iron deficiency Anaemia in Pregnant Women with Special Reference to Miasmatic Study.
86	Organon	Efficacy of Homoeopathy in Respiratory tract Allergies in children.
87	Organon	A Prospective study of approach of Homoeopathy in Management of functional dyspepsia with special reference to miasmatic study.
88	Organon	Evaluation of Homoeopathic Constitutional Approach for Treating Sequele of Chikungunya
89	Organon	Diabetes Millitus & Complications and Management.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
90	Organon	A study of miasmatic evaluation and scope of Homoeopathic Medicines in Management of complications of diabetes mellitus.
91	Organon	Role of Homoeopathy in G.E.R.D. (Gastric Erosive Reflex Disorder).
92	Organon	Role of Placebo as second prescription.
93	Organon	Miasmatic Diagnosis and Homoeopathic Management of Rheumatism.
94	Organon	Role of Miasm in Management of Dermatological Affection.
95	Organon	Stress and it's Homoeopathic Management.
96	Organon	Study of Hanhneemannian modified methods in Homoeopathy.
97	Organon	Eczema and Homoeopathic aggravation.
98	Organon	Miasmatic Evolution of kali group in Homoeopathic medicine & Its Clinical application.
99	Organon	Application of Theory of Miasm In Resolving Various Reversible Pathological Conditions.
100	Organon	Anamnesis- a real tool to approach patient Homoeopathically.
101	Organon	Efficacy of Homoeopathic management in the cases of B.P.H. (Benign prostatic hypertrophy) with Miasmatic Approach.
102	Organon	Scope of Homoeopathy in Acid Peptic Disorder through miasmatic approach.
103	Organon	To study 'Totality of Symptom' (Individualization) in Pediatric Pyrexia and its Clinical Demonstration.
104	Organon	Efficacy of 50 Millesimal Potencies in the treatment of Acid Peptic Diseases

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
1	Repertory	In Depth study of Minton's Uterine repertory and its application as seen through cases.
2	Repertory	Understanding dreams and its related rubrics from complete repertory
3	Repertory	Utility of Chapter Children from Murphy's repertory in clinical practice.
4	Repertory	Comparative study of Synthesis Repertory and Kent Repertory in management of Cervical Spondylosis.
5	Repertory	Study of Indian drugs through different repertories.
6	Repertory	A Comparative study of utility of Complete BBCR and Murphy's Repertories for management of Obesity.
7	Repertory	Role of Kent's Repertory in the treatment of Urticaria in Urban Population.
8	Repertory	Study the utility of Kent's Repertory in GERD (Gastro Esophageal Reflux Disease) in Type a Personality and its Homoeopathic management .
9	Repertory	Understanding role of Snake remedies using complete repertory in the treatment of Irritable Bowel Syndrome in Urban Population.
10	Repertory	Efficacy of Kent's Repertory in management of Urinary Tract Infections.
11	Repertory	Utility of Synthesis repertory in management of tension Headache.
12	Repertory	Study of Utility of Phatak's Repertory in Acute Prescribing.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
13	Repertory	Study of Utility of Repertorisation Module of ISIS Vision in Homoeopathic Practice.
14	Repertory	Study of Utility of Vithoukas Expert System Vis-A- Vis Kentian Approach through Radar 9.1.
15	Repertory	Study of Utility of Complete Repertory in The Management of Warts.
16	Repertory	Study of Various Techniques of Case Taking in Acute Emergencies in Casualty.
17	Repertory	Study of Boger's Approach in Acute Diseases with the help of Boenninghausen's Characteristics and Repertory by Boger's
18	Repertory	Study the Utility of Complete Repertory in Management of Acne.
19	Repertory	To Study the Utility of Synthesis Repertory in management of 'Allergic Rhinitis'.
20	Repertory	Efficacy of Murphy's Repertory in Treatment of Conjunctivitis.
21	Repertory	Study of Rubric Gesture from Complete Repertory showing its Significance in Prescribing Totality.
22	Repertory	Study of Kent Final General Repertory showing it's Clinical Utility in Cases of Gastritis.
23	Repertory	Study of Lippe's Repertory & showing its Utility in cases of Cervical Spondylosis.
24	Repertory	Understanding Repertorial Totality and Potential Differential Field through Murphy's Repertory with Clinical cases.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
25	Repertory	The Detailed study of Rubric 'Ailments From' of Synthesis Repertory Showing it's Practical Utility.
26	Repertory	Utility of Synthesis Repertory in Management of Renal Calculi.
27	Repertory	Repertorial Understanding of the Cause, Clinicopathological presentation and treatment through Rubrical Understanding of all major Concordances, Logico-Utilitarian Repertories and Clinical Repertories on the subject of Rheumatoid Arthritis.
28	Repertory	Repertorial understanding of the Causes, Clinico-pathological presentation and treatment through the rubrical undestanding of all major concordances, Logico-Utilitarian Repertories and Clinical Repertories on the subject of Chronic Renal Failure.
29	Repertory	Repertorial understanding of the Causes, Clinico-pathological presentation and treatment through the rubrical understanding of all major concordance, logico-utilitatrian, clinical repertories on the subject of Vitiligo.
30	Repertory	Study of Utility of complete Repertory in treatment of Migraine.
31	Repertory	Application of Homoeopathic Repertory in Sports Medicine.
32	Repertory	Utility & Scope of Repertory for Tropical Epidemic Diseases especially Dengue Fever.
33	Repertory	Utility of Complete Repertory in clinical practice & management of Vitiligo.
34	Repertory	To Evaluate the utility of Synthesis Repertory in cases of menstrual migraine.
35	Repertory	Utility of Synthesis Repertory in the management of Chronic Tonsillitis.
36	Repertory	The importance of Thermals in selecting and differentiating remedies from Kent's Repertory.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
37	Repertory	Evolving a New Repertory on Mental Disorders with Diagnostic Criteria based on DSM-IV.
38	Repertory	Study of Chapter Emergencies from Robin Murphy's Repertory in Acute Cases.
39	Repertory	To study the Utility of Kent's Repertory in the treatment of Meniere's Disease.
40	Repertory	Clinical utility of Rubrics representing non-diseased traits from the mind chapter.
41	Repertory	Scope of Homoeopathy in management of Chronic Bronchitis.
42	Repertory	Utility of Kent's Repertory in Seborrheic Dermatitis.
43	Repertory	Utility of Dr. Kent's Repertory in the management of Ovarian Cysts.
44	Repertory	Kent's Approach in Various Paediatric Diseases with their Therapeutics & Repertory.
45	Repertory	To study of Delusions for the Selection of Similimum through Complete Repertory.
46	Repertory	To study Utility of A Concise Repertory of Homoeopathic Medicine by Dr. S.R. Phatak in Day to Day Practice.
47	Repertory	Homoeopathic Management of Paediatric cases as per Guidelines of Repertory.
48	Repertory	Study of Various Constitutions with the help of Clarke's & Murphy's Repertory.
49	Repertory	G.I.disorders and its Homoeopathic management with complete Repertory.
50	Repertory	The Utility of Kents Repertory in Homoeopathic management of Ischemic Heart Diseases.
51	Repertory	Repertorial study of Nosodes with special Emphasis on Medorrhinum.
52	Repertory	Utility of Repertory in Management of Vomiting During Pregnancy

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
53	Repertory	To study the Utility of Synthesis Repertory in Management of Thyroid Disorders.
54	Repertory	Study of Haemorrhoids with Sedentary Lifestyle with help of Kent, Boger Boenninghausen Repertories.
55	Repertory	Utility of Kent's Repertory and Boger's Boenninghausen's Characteristics Repertory In Upper Respiratory Tract Infections in Children.
56	Repertory	Utility of Boenninghausen's Concordances in clinical practice.
57	Repertory	Repertorial study of Homoeopathic Remedy Thuja Occidentals.
58	Repertory	Evaluation of therapeutic effectiveness of synthesis repertory in dermatological disorders due to psychogenic factors.
59	Repertory	To study Utility of Boenninghausen's Characteristics Materia Medica and Repertory by C.M. Boger in tonsillitis.
60	Repertory	Utility of Boger- Boenninghausen Repertory in the case of renal stones and the use of Mother Tinctures in renal stones.
61	Repertory	Utility of synthesis repertory in the management of migraine to verify the efficacy of Homoeopathic Medicines.
62	Repertory	Repertorial study of natrum Muriaticum from Kent's Repertory.
63	Repertory	Utility of Kent Repertory in Management of Allergic Rhinitis.
64	Repertory	To show The Clinical Utility of Synthesis Repertory In Day To Day practice
65	Repertory	Management of fever using Allen's Therapeutic of fever.
66	Repertory	The utility of synthesis Repertory in Tonsillitis.
67	Repertory	Efficacy of Synthesis Repertory in the Treatment of Emphysema.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
68	Repertory	Study of Mind of Sulphur Through Kent Repertory .
69	Repertory	Synoptic Card Repertory.
70	Repertory	Concised Repertory of Dermatology.
71	Repertory	To assess the scope of Kent's Repertory in the cases of Rheumatoid Arthritis in relation to Psychosomatic influence.
72	Repertory	Fissure In Ano And Its Miasmatic Approach In Finding The Similimum.
73	Repertory	Homoeopathic management of "Fungal Infections" of the skin Diseases through Murphy's Repertory.
74	Repertory	To assess the scope of Repertory in treating Skin disorders basing on mental symptoms i.e(mind).
75	Repertory	Comparative study of Kent Repertory and BBCR in febrile.
76	Repertory	Role of Repertory in treatment and management of Haemorrhoids in Homoeopathy.
77	Repertory	Polycystic ovarian disease with its Repertorial approach.
78	Repertory	Repertorial analysis in inflammatory bowel diseases.
79	Repertory	Utility of Repertory in the case of allergic rhinitis through Boericke's Repertory.
80	Repertory	Repertorial approach to climacteric age group and its Homoeopathic Management.
81	Repertory	Homoeopathic management of upper respiratory tract infection through Repertory.

**LIST OF APPROVED TITLE OF SYNOPSIS SELECTED BY CANDIDATES
ADMITTED IN M.D FOR ACADEMIC YEAR 2008-09 UNDER THE FACULTY
HOMOEOPATHY.**

Sr. No.	Subject	Title of Dissertation
82	Repertory	Homoeopathic Management of VITILIGO through Synthesis Repertory.
83	Repertory	To study of utility of Robin Murphy' s repertory in the treatment of Psoriasis.
84	Repertory	Repertorial study of Nosodes & their efficacy in Homoeopathic practice.
85	Repertory	Kent's Repertorial Approach in Anger.
86	Repertory	Utility of Kent's Repertory in the management of Psoriasis.
87	Repertory	Evaluation of therapeutic effectiveness of Boericke's Repertory in Allergic Rhinitis.
88	Repertory	To Evaluate the Efficacy of Synthesis Repertory in Management of Acid Peptic Disorder.
89	Repertory	Study of Homoeopathic remedy Natrum Muriaticum through Kent's repertory.
90	Repertory	To assess the utility of Robin Murphy's Repertory in the Treatment of Migraine.
91	Repertory	Utility of Repertory in facial Expressions & body Gestures.
