

DKMM HOMOEOPATHIC MEDICAL COLLEGE
MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES, NASHIK
SUB - Homoeopathic Materia Medica III rd year
3RDBHMS

Q. 1. Write appropriate answers (into more than two lines)

1. Two G.I.T. symptoms of Aethusa
2. Skin of Ant –Crud
3. Respiratory complaints of Ant. Tart
4. Injury of Arnica
5. Characteristic symptoms of Arg – Met.
6. Important sym ptoms of Can Indica
7. G.I.T. of CarboVeg.
8. Rheumatism of causticum
9. Mind symptoms of moschus
10. Characteristic symptoms of Agaricus
11. Female complaints of sepia
12. G.I.T. of phosphorus
13. Fever of Baptisia
14. Renal complaints of Berb Vulg.
15. Stool of Aloe soc
16. Temperament of chamomilla Baby
17. Colic of colocynthis
18. Two important indications of colchicum
19. Nasal discharges of All Ceba
20. G.I.T. of crot Tig
21. Characteristic symptoms of Cup Mel
22. Female complain of cyclamen
23. G.I.T. of Dioscorea
24. Characteristic symptoms of Crot Hor.
25. Femle complaints of Ambra Griesea
26. Mind symptoms of Ignatia
27. Lencorrhoea of Borax
28. Renal complaints of cantharis
29. Liver complaints of chelidonium.
30. Lachrymal discharges of Euphrasia
31. G.I.T. symptoms of Ipecacuanha
32. Injury of Ledum Pal
33. Thermal relationship & Aggravation of silicea
34. Characteristic mind symptoms of Calc Carb
35. Glandular offections of Iodum
36. Skin complaints of graphitis
37. G.I.T. of merc. Sol
38. Mind symptoms of Pulsatilla
39. Characteristic symptoms of Amm.Carb
40. Heart complaints of Digitalis

41. Respiratory of Droserra
42. Important symptoms of Nat Carb
43. Important Indications of Vert Alb.
44. Characteristic mind symptoms of calc-phos
45. Fever of china
46. Aggravation of Rhus Tox
47. Characteristic mind symptoms of Arg Nit
48. Characteristic symptoms of Calc Fluor
49. Urinary complaints of Equisetum
50. Mind symptoms of Hyosymus
51. Heart complaints of kalmia
52. Mind symptoms of Lachesis
53. Aggravation of Lycopodium
54. Characteristic symptoms of Hep Sulph
55. Female complaints of Platina
56. Characteristic symptoms of Camphora
57. Mind symptoms of Aur- Mel
58. Characteristic symptoms of Agnus Cactus
59. Two characterize mind symptoms of Nux Vomica
60. Two characteristic physical symptoms of Cina
61. Tongue of Rhus Tox
62. Aggravation of Bryonia Alba
63. Diarrhoea of Arg-Nil
64. G.I.T. of Asafoetida
65. Mind symptoms of Baryta Carb
66. Important indications of Benzoic Acid
67. Mind symptoms of Bufo rana
68. Characteristic physical symptoms of Belladonna
69. Agg of Bismuth
70. Mind symptoms of Ars Alb
71. Headache of Gelsemium
72. GIT of Alumina
73. Mind symptoms of Anacardium

Q.2. Write short answers

- | | |
|---------------------------------|------------------------------|
| 1. Ledum Pal – Rheumatism | 12. Anacardium – Mind |
| 2. Bryonia – Respiratory | 13. Ant Tart – Chest |
| 3. Num Vom- G.I.T. | Complaints |
| 4. Gelsemium – Headache | 14. Aconite – Mind |
| 5. Baptisia – Fever | 15. Cina – worm Infestations |
| 6. Cantharis – Renal Complaints | 16. Phosphorus – G.I.T |
| 7. Colocynthis – colic | 17. Arb Alb – Mind |
| 8. All cepa- Coryza | 18. Ignatia – Characteristic |
| 9. Aloe – Piles | symptoms |
| 10. Chelidonium – Liver | 19. Arg Nit – G.I.T. |
| Affections | 20. Ant Crd – Skin |
| 11. Droserra – Respiratory | 21. Heps – Mind |

- | | |
|----------------------------------|---------------------------------------|
| 22. Nat Gavb- G.I.T. | 27. Calc Phos- Glandular Affections |
| 23. Berb Vulg – Renal Complaints | 28. Camphora –Characteristic Symptoms |
| 24. Euphrasia – Eye complaint | 29. Platina –Mind |
| 25. Arnica – Fever | 30. Digitalis – Heart Complaints |
| 26. Chamomilla – G.I.T. | |

Q.3.write short answers

- | | |
|---|---|
| 1. Nit Acid- Mind | 15. Lycopodium – Back Complaints |
| 2. Kalmia – Heart complaints | 16. Nat Mur- Headache |
| 3. Iodum- Glands | 17. Causticum- Mind |
| 4. Naja- Charavleristic Symptoms | 18. Caladium- Male Genital Symptoms |
| 5. Lachesis – Female Complaints | 19. Arg- Met- Throat Affections |
| 6. Dioscorrhoea- G.I.T. | 20. Baryta Carb- Physical Generals |
| 7. Baryta Carb- Characteristic Symptoms | 21. Belladonna- Meningitis |
| 8. Belladonna – Head complaints | 22. Benz-AGd- Gout |
| 9. Bnfo Rana-Male Sexual complaints | 23. Carbo Veg – Respiratory |
| 10. Cnn. Ind- Gemito Urinary | 24. Cup- Met- Epilepsy |
| 11. Crot Tig. - G.I.T. | 25. Graphitis- Mind |
| 12. Cyclamen – Menstrual Disorders | 26. Iodum- G.I.T. |
| 13. Graphitis- Mind | 27. Lachesis- Throat Affections |
| 14. Kali Carb- Physical symptoms | 28. Nat Mur – Female Complaints |
| | 29. Pulsatilla- G.I.T. |
| | 30. Crot Hor- Important Physical Symptoms |

Q.No. 4.Long Answer Question (Compare & Contrast)

1. Cina and chamomilla- Baby
2. Aconite and Bryonia- Fever
3. Berb Vulg and Cantharis- Renal Affections
4. Bufo and Caladium- Male complaints
5. Kalmia and Digitalis – Heart complaints
6. Silicea and Hep. Sulph – skin complaints
7. Cyclamen and pulsatilla- Female complaints
8. Colocynthis and Mag phos- Colic
9. Nux Vamica and Arg.Nit- G.I.T
10. Aur.Met and Ignatia –Mind
11. Caboveg and Droserra- Respiratory
12. Merc Sol & Lycopodium – Abdominal Complaints
13. Eunphrasia and All.Cepa- Nasal complaints

14. Baptisia and Arb. Alb- Fever
15. Platina and Sepia- Female complaints
16. Gelsemium and causticum- Joint Affections
17. Colchicum and Merc. Sol- Dysentery
18. Alumina and Bryonia- G.I.T.
19. Equisetum and Cina- Worms
20. Ant.t Droserra- Respiratory

Q.NO.5. LONG ANSWER QUESTION

1. Describe drug picture of Nux Vomica with reference to
 - a) Constitution
 - b) Physical generals
 - c) Mental generals
 - d) Gen. Modalities
2. Describe drug picture of Phosphorus with reference to
 - a) Constitution
 - b) Mental symptoms
 - c) G.I.T. symptoms & other physical Generals
 - d) Gen. Modalities
3. Describe drug picture of Sepia with reference to
 - a) Mental symptoms
 - b) Female complaints
 - c) Respiratory complaints
 - d) Gen. Modalities
4. Describe drug picture of Arg.Nit with reference to
 - a) Mental symptoms
 - b) G.I.T.
 - c) Characteristic Physical Generals
 - d) Gen. Modalities
5. Describe drug picture of Platina with reference to
 - a) Constitution
 - b) Mind
 - c) Female Complaints
 - d) Gen. Modalities
6. Describe drug picture of Lycopodium with reference to
 - a) Constitution
 - b) Mind
 - c) Genitourinary complaints
 - d) Gen. Modalities
7. Describe drug picture of Lachesis with reference to
 - a) Mental symptoms
 - b) Physical generals
 - c) Throat affections

- d) Gen. Modalities**
8. Describe drug picture of Nat. Mur with reference to
- a) Constitution**
 - b) Mind**
 - c) Physical Generals**
 - d) Gen. Modalities**
9. Describe drug picture of Calc. Carb with reference to
- a) Constitution**
 - b) Mental symptoms**
 - c) Female complaints**
 - d) Gen. Modalities**
10. Describe drug picture of Merc Sol with reference to
- a) Mental symptoms**
 - b) G.I.T**
 - c) Other Physical Generals**
 - d) Gen. Modalities**
11. Describe drug picture of Hyosymus with reference to
- a) Mental symptoms**
 - b) Physical Generals**
 - c) Male complaints**
 - d) Gen. Modalities**
12. Describe drug picture of Iodum with reference to
- a) Constitution**
 - b) Mental symptoms**
 - c) Glandular Affection**
 - d) G.I.T.**
13. Describe drug picture of Carbo. Veg with reference to
- a) Constitution**
 - b) Mental symptoms**
 - c) Physical Generals**
 - d) Respiratory complaints**
14. Describe drug picture of Causticum with reference to
- a) Constitution**
 - b) Mental symptoms**
 - c) Physical Generals**
 - d) Rheumatism**
15. Describe drug picture of Nit Acid with reference to
- a) Mental symptoms**
 - b) G.I.T.**
 - c) Physical Genrals**
 - d) Gen. Modalities**
